Tweet Picks:

@hjelnaes SAS fly out of intermediate turbulence as the Chapter-11 judge approved the \$700m DIP financing by Apollo, though some modifications of terms are required.

@jonostrower Boeing CEO David Calhoun's message on China has become increasingly pessimistic. "I don't know how successful we'll be" at advocating for changes in the geopolitical barriers between the U.S. and China. "I think we'll get back there some day, but I don't think it'll be soon."

@MarcusReports BREAKING: Boeing CFO Brian West says company will sell 737 MAX aircraft built for Chinese airlines to other customers. Chinese regulators have not re-certified the MAX. "We will begin to remarket some of those airplanes ... earmarked for our Chinese China customers," West says.

@rschuur_aero .@schiphol further caps capacity as it struggles with security staff shortages. Daily pax numbers reduced -18% or 9.250 until October 31.

@rschuur_aero .@sas signs Letter of Support with @heartaerospace for the all-electric ES30 regional aircraft, a bigger version of the ES-19. EIS in 2028. The airline has been a low profile partner of Heart since 2019, as SAS told @airinsight a year ago.
